

PETROGULF POWER X SUPER DIESEL ENGINE OIL

Product Data Sheet

PetroGulf Super Diesel Engine Oil is available in SAE viscosity grade 30/40/50 & 20W50. It is economy grade engine oil formulated with high quality paraffinic base oils and selected additive packages. It is designed for gasoline engines in passenger cars and trucks, as well as certain aspirated, turbocharged or supercharged diesel engines when API Service Categories SE, SD, or SC are recommended. This product provides oxidation stability and anti-wear performance and offers protection against low temperature engine deposits, rust and corrosion. In addition, it meets or exceeds the diesel engine service requirements of API CC. Oils designed for this service provides protection from high-temperature deposits, bearing corrosion, and fuels with a wide quality range (including high-sulfur fuels).

FEATURES

- Good high temperature stability and oxidation resistance
- Good protection against corrosion and rusting.
- **PERFORMANCE STANDARDS**
- API CC/SC
- MIL-L 2104 B
